**payment • special orders • returns**

All prices in this catalog are in U.S. dollars. We accept : Visa, MasterCard, Discover, American Express, PayPal, money orders, bank wires, and checks. We run personal checks with street addresses through the Certery check system for approval and immediate processing. Products must be returned within 30 days of purchase, for exchange/store credit only. You must call for a return authorization number. Items for exchange must be unused with tags attached and the return authorization number on the outside of the box and may be subject to re-stocking fees. No refunds. All shipping and insurance charges will be paid by you. Special cut items and items ordered unlined are not returnable.

Our speciality is special and custom orders. You can order any of the items we make in any of the fabrics we have in-stock. Many of our customers get quite creative with color and print choices. Express yourself. It's quite common for customers to order items with no lining (even meshes and lace). Every time you order an item your way : in a special fabric, in a special size, without lining, with PEP or PFD lining, or any other special requests, there will be an \$8.00 fee added to the base price of the item. It is well worth \$8.00 to get a secure handmade expressly for you. Note : we have a secure custom order form on-line within our web-site, however, we suggest calling 727-441-8789 and talking to a real person about what you want. As you complete the order form below, add an \$8.00 \*Special Charge\* to any order of an item not stocked. Suits as they are pictured in the paper catalog for 2002 are considered "in-stock". Please circle your lining choice : front lined, special PEP\* lining (selected suits only) or front unlined.

**SKINZ® shipping policies :**

The prices (bottom right) can change if our shipping companies decide to raise prices after this catalog has been printed. Trust me, they won't be lowering prices. You can track your UPS (www.ups.com), USPS (www.usps.com) or FedEx (www.fedex.com) packages on-line. Send us an e-mail with your last name and zip code and we will send you your tracking number.

As a disclaimer (excuse), we make and sell swimwear. We are not a shipping company. We use UPS, FedEx and the U.S. Postal Service. If they screw up, yell at them, then let us know, with a kind attitude. We are always trying to upgrade the shipping companies we use. Do not wait until the last minute to place your order for your vacation. Plan on the shipping companies taking an extra day or two. They are people, too, and not always perfect.

International shipping starts at \$19.00 for an order of \$100 or less via U.S. International Priority to most countries. Sometimes we have to ship via U.S. First Class or Registered Air Mail. Faster, more expensive carriers are available. Call or e-mail us for more specific quotes. Our shipping charges include : the packaging material, the freight fee, the packaging labor, the paperwork labor, the travel to the postal centers and the wait at the postal centers. Be prepared to pay a minimum of \$30.00 for FedEx, UPS and DHL international services.

**All duties and taxes are paid by the customer (this means you!)**

Remember, we can't ship what we don't have, so if you need it quick, verify that it is in stock ! (727) 441-8789 or skinz@skinzwear.com. Our aim is to make the highest quality and finest fitting swimwear and workout wear. Our prices are reasonable. Our product is the very best you can buy, no matter how much money you have to spend. We have been doing this for over 20 years. Let us show you why our customers are our best sales people ! 2008
