Thank you for considering the SKINZ brand of swim and workout wear. I hope you will give us a try. There are a few things you should know about us, before you begin your order.

We are the manufacturer of the SKINZ apparel product. We make all the items in the catalog, except the tan thru. The tan thru suits are made by the european company, SOI AR, and are of exceptional quality.

Our suits are warranted against defects in the construction of the item. We will replace any defectively manufactured item. We purchase the finest fabrics from mills around the world. Metallics, Holographics and Lazer prints are more delicate fabrics and not suitable for daily use. Save them for special occasions. You will receive care instructions with your order to help extend the life of your purchase. Follow these simple rules!

The fabric content of nylon/lycra is, in general, 78% Antron nylon and 22% Lycra. The content of our cotton lycra is either 90% cotton, 10% Lycra, or, 65% cotton, 25% poly and 10% Lycra. Some of the fabrics are of limited quantity. Shipable items are dependent on yardage, 'in stock'. Call or e-mail us for yardage inventory.

Since we are the manufacturer, we do offer some flexibility in the items you can order. Ladies can order tops and bottoms in different sizes. The catalog lists the tops and bottoms separately by a letter style code and they are priced separately. Color/fabric codes are a three or four digit number. If you want a particular style item, in a fabric not shown, you may order that "special cut" item from our special order department. There is a \$2.50 charge to make a special cut item. These special cut items are made one at a time, and the \$2.50 is to cover the much higher labor cost to make this suit. These custom order suits are not returnable. Don't throw your old catalog away. We change styles from year to year but we can always make your old favorite in our new fabrics. Please allow up to 6 weeks during 'season' for us to make your 'one of a kind' suit. All special order suits are pre-paid, and, are not returnable. If you are paying by check or money order, call for an accurate total.

Customers in the past have asked us to leave out the lining in the swim wear. We will do this for you. It is a 'made one at a time' suit from our special order department, will cost you \$2.50 extra, and, is not returnable.

You can mail your order to: SKINZ at 2027 Gulf to Bay Blvd., Clearwater Fl., 33765 or, fax it to: (813) 442-2476. You can e-mail it to us at either: skinz@llc.net, or, PSKINZ@aol.com. You can place your order thru our web site at <http://www.skinzwear.com>. Please include your customer I.D. number found on the mailing label of your catalog. Also include you daytime phone number so we can reach you if we have problems with you requests. On charge card orders we need to have the billing address of the charge card on file.

Our aim is to make the highest quality and finest fitting swimwear and workout wear. Our prices are reasonable. Our product is the very best you can buy, no matter how much money you have to spend. We have been doing this for over 10 years, let us show you why our customers are our best sales people!
